**Catalina:** umm.. im not sure about it

**Catalina:** i am extremely picky when it comes to girls

**me:** yeah, i'm not actually in favor it myself

**me:** as I suspect she has a crazy personality that would ruin everything and case the most awkward threesome ever

**me:** or maybe not

**me:** I just don't know

**Catalina:** you're still talking to her?

**me:** I JUST DON'T KNOW

**Catalina:** tsk tsk

**me:** how's wherever you are?

**Catalina:** baltimore

**Catalina:** is good

**me:** she Imed me last night to see if Andy wanted a gig next week

**Catalina:** having a great time so far

**me:** and then started asking me about my sex life

**Catalina:** drinking by myself as usual

**me:** things deteriorated from there

**Catalina:** oh

**me:** good, that's fun

**Catalina:** she sounds funny

**Catalina:** id have to meet her first

**Catalina:** and then know her for a while

**Catalina:** and then be extremel drunk

**me:** it's not worth it anyway

**Catalina:** we could say yes and take the drugs and leave

**me:** right

**Catalina:** oh i watched porn the other day

**me:** I called out this McCain fellow again today and challenged him to a little e-mail debate/duel again, will appear on Huffington Post and so force him to respond

**Catalina:** first time ever

**me:** that's what Miriam announced she was doing last night

**Catalina:** well that sounds productive

**Catalina:** it was bad

**me:** anyway, I want him to debate me so that I can print it verbatim in the book and thus spend less time writing that particular chapter

**Catalina:** not sexy at all

**me:** most porn is retarded

**Catalina:** it was a seinfeld parody

**Catalina:** just awful

**me:** that's theme porn like the nonsense Straub and Burning Angel do

**Catalina:** now i cant see seinfeld on tv without blushing

**me:** do you really go around blushing?

**Catalina:** no

**me:** I see

**Catalina:** it just the rosacea

**Catalina:** and alcohol

**me:** one sec

**Catalina:** thats smart.. the idea about putting that in the book

**me:** now this Charles Johnson guy who I'm sure I've mentioned twenty times wants me to help him with his book

**me:** we had a big strategy phone session yesterday

**me:** and did all our wacky blogger planning

**me:** McCain's old associate just got sentenced

**Catalina:** why/

**me:** making a bunch of death threats

**me:** okay

**Catalina:** you can get sentenced for that?

**me:** Melvin is singing alanis morrisette

**me:** and then

**Catalina:** you get death threats all the times

**me:** claims the opposite of spoon is a fork

**Catalina:** which song?

**me:** ironic

**Catalina:** oh no!

**Catalina:** well i guess any song by her would be bad

**Catalina:** do you have a picture of miriam?

**Catalina:** is she cute?
